

Tashkent State Dental Institute

2023

SDG 9. Industry, innovation and infrastructure

9 INDUSTRY, INNOVATION
AND INFRASTRUCTURE

SUSTAINABLE
DEVELOPMENT
GOALS

Science. Grants. Innovations for health

Type of project	Number of projects	Funds (income)
Practical grant	3	3 930 650 million sums
Innovative grant	2	1 798 917 million sums
International grant	1	152 000 \$
Business agreement (contract)	6	73 740 055 million sums

Science. Grants. Innovations for health

- Grants and projects:
 1. The heating device for composite restorative materials (PZ-462104532)
 2. Creating a national database of babies with facial-jaw pathology using 3D technologies (AL-421105549)
 3. Creating a geographical map of the spread of dental diseases in the Republic (FZ-2020073031)
 4. Bioactive dental implant with bioactive coating for the first time in Central Asia "Implant.uz" production
 5. Creation and production of standard transport and healing linkage in jaw fracture (206/14)

Active participation with innovations, devices in InnoWeek
